Car Collision, David Goodwin (son)

Dinner with "Lee", instructor from Brazil, Defense Language Spy School, Monterey.

We have all experienced car accidents of a kind, but the strange thing about this one was that David never called Lee, and Lee never contacted the family after this collision.

Peter and Carolyn Gilman took a powder and NEVER contacted us after giving Marvin the LSD.

Meeting with Tao Savory Brilliant

Friend of Clay Shaw.

Arranged after my New Orleans trip, surreptitiously, "coincidentally" She shared Mexico City address with Clay Shaw.

Automobile happenings

Mercury Station wagon on fire, trip from Vancouver to Oregon. 1970

Saab Station wagon on fire, from S.F. to Carmel, same reasons given. 1974

Large bolt, 4" long, wide, flat bottom, into new tire, Washington. 1978

Wheels came off, large "nut"s missing, 1978

Call from "Carmel Police, Sept. 1975, to get me out alone at night.

Barbara was not at the station, she was at class.

There was no "Captain Christy" with Carmel Police.

COINCIDENCE OR CONSPIRACY?

Realist, page 19, 1973, "Senate Select Committee Part of Cover-up"

"Clement Stone, \$7 million clandestine money for Republican spies"

1976, Ken Crockett, from Texas, moves to Carmel.

Ken employed by Stone for five years.

Brother is, was, on Dallas Police Dept. during JFK assass. and to the present day.

No past, occupation, means of support, a source of worry and concern to all the family. Barbara cant break from him. She was victimized twice already, and still cant see this.

Ken is a YAF, Reagan, Republican with strange local connections.

My worst fear is that drugs were used on Barbara.

This has gone on 18 moths already with no answers.

RATTLESNAKE, VANCOUVER ISLAND, IN TENT

"Impossible" on Vancouver Island, no rattle snakes.

Car parked on our property, evening before.

This happened two months before Synanon snake story broke.
