Whatever moves Pope John Paul II makes, it has to do with
his I.G. Farben, Auschwitz, Nazi connections after the war.

Every advisor to these scandals, like I.G. Farben Hermann
Abs, J. Peter Grace, Alex Haig just knighted and promoted,
is a continuation of his Polish-Nazi past.

The Shah of Iran, Pahlavi Foundation, are tangled into
the drug business, with family Nazi background, terror,
torture.

Elevation of OPUS DEI, recognition of fascist MASONIC
LODGE, as the scandals close in, his madness increases.
He can't vent his anger and embarrassment publicly. Only
way to respond is to get further back in the Middle Ages.
