NOTE:

On 9/15/67 at 6:45 p. m., a reservation agent at Delta Airlines, Dallas, received a call that a bomb was on board Delta Airlines, Flight 827. Flight 827 originated at Atlanta and was enroute to San Francisco via Dallas. A search of the aircraft failed to locate any bomb.

Mrs. May Magnin Brussell who was boarding this flight for San Francisco made comments at Love Field, Dallas, she had conducted research on the Kennedy assassination and had been in conference with DA Jim Garrison, New Orleans, for three days. San Francisco determined that Mrs. Brussell in the past had expressed great alarm over the fact that the United States is becoming fascist. She is the daughter of Rabbi Edgar F. Magnin of Los Angeles. It has been reported Mrs. Brussell has "left-wing" leanings and is not in good favor with her father. She supports Mark Lane's book, "Rush to Judgement" and takes the view Lee Harvey Oswald was not a communist. She pictures America as controlled by conspirators in the Government which view she has stated publicly. She is writing a book on the assassination and claims the Government is withholding information on the assassination and the press is suppressing news on the investigation being conducted by New Orleans DA James Garrison. Mrs. Brussell is described as an author and a playwright, and due to her thinking which she has expressed publicly, Dallas and San Francisco are to incorporate information into letterhead memoranda suitable for dissemination to the Department and U. S. Secret Service.

P.S. I "DIDNT MAKE COMMENTS AT LOVE FIELD" ABOUT JIM GARRISON. BEFORE I GOT INTO THE AIRPORT, TWO DALLAS POLICE CAME INTO THE PLANE AND ESCORTED ME OUT, TO A SEPARATE ROOM, BY MYSELF, APART FROM ALL OTHER PASSENGERS".

THIS FBI REPORT WRITTEN SEPT.18,1967.

THEY STATED THAT "MRS.BRUSSELL IN THE PAST HAD EXPRESSED GREAT ALARM OVER THE FACT THAT THE UNITED STATES IS BECOMING FASCIST".

QUESTION: How long were they following me?

Where "in the past" were these FBI agents?

My Martha Mithcell, Realist article came out in 1972.

KLRB news programs began in 1971.

Where did my "fear of fascism" come to the attention of the FBI?

"Fear of Communism" would make me kosher for the FBI.

"Fear of Fascism" demands a "letterhead memoranda".
