QUESTIONS FOR JACK ANDERSON

Did the mob control Dallas Police, Henry Luce, Chief Justice Earl Warren, Gerald Ford, John J. McCloy, Gov. John Connally?

Could they lock up evidence "75 years?", steal JFK brains, dry clean Connally clothing, ship JFK car to Michigan, write Oswald's diary, grab Oswald's CIA 201 files, destroy CIA recordings of Oswald voice, run the Mexican school for assassins, issue Oswald's 1963 passport, arrange for Oswald's employment and location in the Texas School Book Depository? Hell, no, Mr. Anderson!!

NICHOLAS M. HORROCK, NEW YORK TIMES, JAN.1, 1979
