

WAS LEE HARVEY OSWALD'S BODY IN THE GRAVE?

1. Who did the autopsy? 2. Where was the cement? 3. Why coffin split?  
"Hearings Before the President's Commission on the Assassination of President Kennedy" Vol.1, page 166-167.

"Lee Oswald was encased in cement " "I should find out from strangers that my son is now in a concrete vault".

"The Quest for Truth", George C. Thomson, 1965. Page 44

"This vault is 2700 pounds, almost 1½ tons, reinforced concrete. Why is it this man is buried in such a substantial..I am a design engineer, if we had the job of designing a 2700 pound vault it is normally for a transformer or gas main under ground"

LIFE, Dec.6, 1963, page 52B

"A 2,700 pound vault was already in place to receive it. That would withstand a sledgehammer", Funeral Director Paul J. Groody reassured newsmen."

(Did the sledgehammer crack the coffin earlier?)

"NO SCIENTIFIC EVIDENCE OSWALD FIRED THE RIFLE NOV.22,1963"

"House Select Committee on Assassinations", Vol. XI, pages 446-447. Letter from Warren Commission atty. to General Counsel, 8/8/1964. Discovered by Jan Diaz, L.A. researcher.

"It could be set forth by the Commission (Warren) in a frank statement that the Commission has no scientific evidence as opposed to eye witness and circumstantial evidence that Oswald fired the rifle on Nov.22, 1963.

Tape # 359, 10/20/78. "1978 investigation assumed Oswald guilty. No evidence.

Tape # 370. 1/5/79. New Commission didnt prove Oswald received rifle."
