PHOTOGRAPHIC EVIDENCE PRESENTED BY ROBERT GRODON FOR HOUSE SELECT  
COMMITTEE ON ASSASSINATIONS Sept. 6, 1978

Was Joseph Milteer, involved in Miami assass. plans, in Dealey Plaza?

Was Billie Lovelady in front of the Texas School Book Depository,  
or was that one of Oswald's Texas doubles?

Why were there physical differences between the rifle allegedly  
ordered by Oswald in Chicago, the alleged assassination weapon, and  
the rifle (Oswald's photo) on Neeley Street?

Why didnt the Warren Commission investigate the shadow discrepancies  
instead of duplicating the shot with FBI agent's head off?

If Oswald in the Marines was 5'11", and Oswald autopsy was 5'9",  
did Chief Justice Earl Warren know more than the Commission revealed?

Will Dallas Police be called to testify about the "tramps" being  
removed without identification or fingerprints?
