Dow Chemical, DuPont into poisons, death business, larger scale.

"We are not immoral. When I saw what our government does, and what they contacted us to do before our arrests in N.Y." They asked us to make bullets with deadly poisons for U.S. Weapons". "They gave us contracts for assassinations!"

"The Case That Won't Close", RFK assassination. LA D.A. John Van de Kamp was in Wash. D.C. when RFK killed, director of U.S. Atty. Gen. Office".

## "EXTRADITION TO L.A. BEGUN FOR SUSPECT IN 1974 SLAYING CASE"

LAT, 10/1/81 John H. Meier, charged with murder of Alfred Wayne Netter, Beverly Hills, Nov. 29, 1974, stabbed to death.

Meier offered charges "dropped" if he would turn over information on H. Hughes, the work he did for Hughes, what he knows, documents.

Officials grilled him about "Mae Brussell". How long "he knew Mae?"

Did he "work with Mae"? "When did he contact Mae?" etc.

The Feds will escalate their 1960, 1970 harrassments.
